OUR MISSION AND VALUES

Delta Pride is an organization whose purpose is to enrich the lives of those who identify as LGBTQIA2S+ and to aid in a safer environment. Our vision is to promote equality within the community. Creating a safe place to nurture the development of LGBTQIA2S+ youth and their families. Providing resources for LGBTQIA2S+ community in a rural area can be difficult. Delta Pride aims to be the foundation for the lower Grand Valley LGBTQIA2S+ Community in resources and education for all ages. With education and support, we can change the world around us.

Values

- Providing a protected environment to educate the public.
- Assembling resources for behavioral and physical health in a rural area.
- Inclusivity within the community.

DELTA PRIDE

Oct. 26th & Oct. 27th 2024

Be a part of the solution in the Grand Valley. This is your opportunity to sponsor your community through Delta Pride 2024. With your donation you are making a commitment to create a safe space for the LGBTQIA2S+ community in rural Colorado. Your sponsorship will help us increase visibility and change the future for the LGBTQIA2S+ community. This event will provide a safe inclusive space where the LGBTQIA2S+ community can find resources and be a part of the community with less fear and more hope. It is a frightening place for our youth especially in rural areas. Help us give them a fighting chance. Volunteers are also needed and greatly appreciated. Each affirming adult can help reduce self harm in youth.

You can make these statistics shrink just but being an ally.
